

# Annual Western North Carolina IA Renewal & Safety Symposium

This training provides eight hours of FAA approved Inspection Authorization Renewal training and is also eligible for the AMT Awards program. Remember, the new IA rules requires qualifying activity or approved training for each year. Topics include SMS, Avionics & Glass Panels, Battery Maintenance, Vacuum Pumps & Spark Plugs, Professionalism, Aging Aircraft, Teledyne Continental Engines, and discussion with the FAA FSDO. Click the link below to register for this event TODAY!

**Directions:** The security gate will be open to the Commscope Inc hangar. For more information on location please contact Wayne Smith or Jeff Wofford at [jeffw@commscope.com](mailto:jeffw@commscope.com)

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
